FOR IMMEDIATE RELEASE

Virtual Citywide Prayer and Worship Event in Columbus

Columbus, OH - On Friday, May 8, 2020, at 8:00 PM EST, Christian leaders from all over the city will collaborate to bring topics of prayer and various songs of worship in an effort to catalyze a citywide prayer strategy. This event will be hosted on [Facebook](#) and www.onenightcolumbus.com/live.

Purpose of a Virtual Gathering

Immediately following the National Day of Prayer (May 7, 2020), we wish to unite as a city, and as the body of Christ, to “step together” into an ongoing prayer strategy. After the event, a daily prayer guide will be released. We are calling the church of Columbus to take five minutes each day at 10:00 AM to pray for designated topics. It’s important to continue to work together, pray together, and “step together” even if we cannot physically be together.

What is ONE NIGHT Columbus?

Jesus prayed in John 17 that His believers would be one, so that the watching world would know Him. ONE NIGHT is typically a physical gathering, organized in collaboration with the body of Christ in Columbus, to worship and pray together. This gathering is a visible expression of our oneness with Jesus and with each other. It creates space to catalyze relationship and partnership, while bearing witness to the watching world who Jesus is.

Details of the Event

ONE NIGHT will host a virtual gathering on May 8, 2020 at 8:00 PM (EST) on various online platforms. The event will consist of segments of prayer and worship music, led by leaders from churches, the marketplace, and ministries all around Columbus. This event will be hosted at www.facebook.com/onenightcolumbus as well as www.onenightcolumbus.com/live. Visit www.onenightcolumbus.com/steptogether for promotional resources and to learn more.
